PAINESVILLE  
OHIO

Due to the abnormal market conditions now prevailing, it is impossible to establish set prices for any definite period of time. We must, therefore, reserve the right to change the published prices at any time without advance notice.

Prices may increase—we suggest that you order early.

All plant material offered subject to prior sale.

All sales and contracts are subject to crop failure or loss through conditions beyond our control.

All patented items are handled by us under license from the patent owners and are priced "NET."

## TERMS

**CREDIT.** Unless credit has been previously established and your account is in good order, all orders must be accompanied by cash.

**C.O.D. ORDERS.** Orders to be sent C.O.D. must be accompanied by cash in the amount of one-fourth their value.

**ACCOUNTS** are due 60 days net, or a 2% discount if paid within ten days from date of invoice. If your order is accompanied by cash your order will be packed free, otherwise the usual packing charges will be added to these prices.

Packing and B&B charges listed on inside of back cover are charged at cost. They **are not** included in the list price unless so noted.

**SHIPMENTS.** Our responsibility for delivery of stock ends when shipment is accepted by the transportation company. If stock is not received in good condition, any claim for adjustment of loss or damage is a matter between the consignee and carrier.

**CLAIMS.** For any cause, claims must be made promptly, upon receipt of goods. We will not entertain claims after goods have been accepted, or when report is not made in writing within ten days after arrival of the stock.

## OUR POLICY

Our policy is to furnish our customers with material of the finest quality, dug, packed, and shipped in the best and most efficient manner. As we realize that they often have specific uses in mind that require such selection, we urge the buyer to visit our nursery and select his material personally.

We are always ready to make adjustments on any fair claims. If there is any defect in any material received, please notify both the carrier and ourselves *immediately*. We cannot entertain delayed claims.

We have a fine selection of heavy specimen trees, shrubs and evergreens not listed herein, which we should like you to see. We shall be glad to quote prices on request.

We also have some imperfect material to be sold at a substantial discount, cash with order net. This material is sold only when personally selected at the nursery by the customer and paid for in cash at time of selection.

We have men available to accompany customers into the field on inspection and purchasing trips.

BIRDS EYE VIEW OF PACKING HOUSES,  
GREENHOUSES, SEED WAREHOUSE AND STABLES.

## SHADE TREES

## ACER, Maple

## HARDY VINES

Our list of Hardy Vines is selected for their versatility of use, heartiness, and beauty. They are properly pruned and fertilized to insure strong spreading root systems and vigorous top growth. We call your attention to the varieties *celastrus scandens*, *celastrus orbiculata* and *lycium chinense* all of which make excellent plantings on steep banks or where a heavy ground cover is desired.

## BROAD-LEAVED EVERGREENS

This group is composed of a number of plants too often overlooked by many landscape architects and nurserymen. Some are considered difficult to transplant and rather hard to get started.

We believe we have solved this problem. The growing habits of each variety have been studied and a definite growing, digging and shipping routine established. Fire thorn, (*Pyracantha coccinea lalandi*) is sold only in pots. Euonymus, in variety, long thought to be, of necessity, a "B&B" item, is shipped "bare root" or puddled during most seasons. Rhododendrons are dug with the broad, flat ball they require.

Broad-leaved evergreens are almost indispensable to the landscaper. No other plants do as well in the shade. None blend so well with conifers and junipers and few are hardier, once they are established. Most of them respond readily to judicious pruning and furnish effects unprocurable without them.

# LINING OUT STOCK

We offer for spring planting a list of plants for growing on in your own nursery. They are sturdy, well-rooted plants from our own seed beds and propagating houses. The items marked "S" are seedlings and those marked "P" are from pots.

All are carefully handled and packed and should give you exceptionally good results.

In addition to the items here offered we would be glad of the opportunity of quoting you on your future needs to be grown under contract. We have a large supply of stock plants of the finer varieties available as well as a large propagating area and greenhouse space.

## SHRUBS

			Per 100	Per 1000
1,500	Abelia grandiflora	P	1.50	70.00

2,500	Silver Maple	S 12 to 18 in.	1.25	9.00

## FRUIT TREES, GRAPES, ETC.

"Reliable for 87 years" surely applies to this division of our nurseries. All stock is carefully propagated from proven producers. Only the finest, hardiest understocks are used for budding and grafting. Varieties are chosen for quality of fruit, strength of trees or plants and productivity. All fruit trees and berry plants are guaranteed to be true to name. All are carefully dug and graded and those which must be stored are handled under ideal conditions. Berry plants are carefully inspected and rogued to insure trueness to name and freedom from disease. Only the most up-to-date packing methods are used to insure safe delivery to you. We are constantly on the lookout for new varieties, but they must prove their value before we offer them.

## GREENHOUSE MATERIAL

Here we offer a service not available at most nurseries. Mature flowering, succulent and foliage plants for immediate resale as well as rooted cuttings and started plants, for growing on in your greenhouse, are obtainable here.

The old faithfuls as well as many new, but proven, novelties are available. We will be glad to discuss with you, at any time, propagation of materials we do not list, but which you find in demand. We urge that you visit our greenhouses and make your selection personally. We call your attention to our excellent supply of Peperomias, Bird's Nest Ferns, and Aloes. No packing charge is made on quantity orders of greenhouse materials.

## LAWN GRASS MIXTURES

Our own formulas, sent out by us for over half a century, under these names.

We have been sending out several tons of our mixtures every year, to discriminating (and apparently well satisfied) customers. It really pays to provide the best, regardless of price.

We can put these up in 1, 2, 3, or 5-lb. bags—strong, showy (in colors), printed “Velvet Sod,” or “Shady Lawn,” without our name, for 2c per lb. extra.

**VELVET SOD.** A mixture of fine, dwarf, close growing grasses, including Colonial Bent, that will produce a neat, velvety lawn and permanent sod in a short time. This mixture is composed of Kentucky Bluegrass, Colonial Bent, Perennial Ryegrass and Fancy Red Top.

**VELVET SOD**

	Per Lb.		Per Lb.
1 lb.....	\$ .47	25 lbs.....	\$ .38
2 lbs.....	.43	50 lbs.....	.36
10 lbs.....	.41	100 lbs.....	.34
15 lbs.....	.40	1000 lbs.....	.33
20 lbs.....	.39		

**STANDARD LAWN.** Each year a number of our customers ask for a good grass mixture that they can sell for less than our Velvet Sod. In consequence we have prepared Standard Lawn, which is a mixture of the same high quality seed in different proportions. This mixture will produce a permanent sod of lasting beauty and is composed of Kentucky Blue Grass, Common Rye and Fancy Red Top.

**STANDARD LAWN**

	Per Lb.		Per Lb.
1 lb.....	\$ .35	25 lbs.....	\$ .28
5 lbs.....	.32	50 lbs.....	.26
10 lbs.....	.31	100 lbs.....	.25
15 lbs.....	.30	1000 lbs.....	.23
20 lbs.....	.29		

**SHADY LAWN.** A blend of special grasses for areas receiving sunshine less than half the day. It produces turf which harmonizes with that produced from Velvet Sod seed. For slightly shaded lawns use equal parts of Velvet Sod and Shady Lawn. This mixture is composed of Chewing's Fescue, Kentucky Bluegrass, Fancy Red Top and Perennial Ryegrass.

**SHADY LAWN**

	Per Lb.		Per Lb.
1 lb.....	\$ .46	20 lbs.....	\$ .39
5 lbs.....	.43	25 lbs.....	.38
10 lbs.....	.41	50 lbs.....	.35
15 lbs.....	.40	100 lbs.....	.33

**RECLEANED GRASS SEED**

Prices subject to change

	1 lb.	5 lb.	10 lb.	25 lb.
Chewing's Fescue.....	\$ .79	\$ .76	\$ .71	\$ .69
Colonial Bent.....	.90	.88	.86	.85
Kentucky Blue.....	.36	.33	.31	.30
